A black and white photograph of a small, white wooden shed with a dark, gabled roof. The shed's walls are made of vertical wooden planks. A dark, solid door is positioned on the left side of the front wall. To the right of the door, a rectangular sign is mounted on the wall. The sign has a dark background with white text that reads "NO SMOKING IN THIS AREA". The shed is situated outdoors, with trees and a utility pole visible in the background. To the left, a portion of another white structure is visible. In the foreground, the dark, shadowed area of what appears to be a vehicle or a large piece of equipment is partially visible, including a handle or lever.
