Dear Sir

We are in receipt of
your favor with mem. of 5 Bales send
to Albany S. C & M - We send them a
bill yesterday of ten bales Nos 261 to
270 and we presumed you would send
them their numbers - If not please let
us know -

We have today sold 25 bales at
7 $\frac{3}{4}$ which takes all up to 281 -

We send today by boat via Albany
15 Bales of Cotton marked to go by Rail
as we supposed they would not be able
to send by Canal - 11 $\frac{1}{4}$ the price -

Please let us know how much more
will be required to run to the 10 $\frac{1}{2}$ of
May which we supposed is what you would
desire -

We enclose herein Bill of Lading May
you for Oil which went on the 18 $\frac{1}{2}$ -

Yours truly

My dear Sir,

It is my intention to go
with you on the 4th prox -

My wife has been seriously ill
with scarlet fever for some days, but
is now comfortable and doing well -
Should she recover her strength in time
a little journey would benefit her, and
I shall urge her to leave her children
and accompany me on my trip -

In the mean time I am ever

truly Yours

Joseph W. Patterson -
