A black and white photograph of a two-story brick building. The upper story is a large, solid brick wall with a slightly projecting top edge. The ground floor features a central entrance with a glass door and a sign above it that reads "LINDLEY'S". To the right of the door is a large window with a sign that says "OPEN". The building is surrounded by snow, suggesting a winter setting. The sky is bright and overcast.

LINDLEY'S
