A black and white photograph capturing a scene at a street intersection. In the upper right corner, a "NO LEFT TURN" street sign is mounted on a utility pole. Two traffic lights are visible; one is suspended from a wire above the intersection, and another is attached to a pole on the left side. The background features several multi-story brick buildings, some with large windows and doors. A white van is parked on the right side of the street, and a dark-colored pickup truck is positioned near the center. The foreground shows the asphalt of the road and a crosswalk.
