A black and white photograph of a two-story building facade. The building features two arched windows on the second floor, each with a decorative, stepped pediment above it. A dark awning with a scalloped edge runs across the front of the building, bearing the text "BUTLER EAT'N HAUS" in white, bold, sans-serif capital letters. Below the awning, there are large glass windows and a central door. To the left of the building is a dark brick structure with two windows, and to the right is another building with a window partially obscured by bare tree branches. A dark pickup truck is parked on the left side of the street, and a light-colored sedan is parked on the right. The ground in the foreground is covered in snow.
