LEVI WOODBURN HOMESTEAD
FRANCESTOWN, NH

Looking NW at the east (front) elevations
of the main house (left) and wing (right).

The later portion (ca. 1832) of the house
are the three left bays (including the entrance bay)
of the main house.

#2

Levi Woodbury Homestead
Francestown NH

Looking NE at the west (rear) elevation
of the main house and wing. The screen
house (former schoolhouse) appears
in the left background.

#3

Levi Woodbury Homestead

Francestown NH

Looking South at the north elevation
of the north wing. The four bays at the
right were likely part of the ca. 1893
enlargement of the original (1787) 1/2 story house.

#4

Levi Woodbury Homestead
