Interior detail: northwest corner of main
floor with cast-iron spiral staircase
and museum exhibits; looking
northwest.

Photo 7 of 8

A black and white photograph of a fire hose tower. The tower is a complex metal structure with multiple horizontal rungs. In the foreground, a large cylindrical tank is visible, featuring a shield-shaped emblem with the number '5' and the word 'RESCUE' above it. Behind the tower, a white door is set into a wall of vertical wood paneling. The door has the words 'HOSE TOWER' printed on it in a bold, serif font. To the right of the door, a framed portrait of a man is partially visible on the wall. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the textures of the metal and wood.

HOSE TOWER
