A black and white photograph of an industrial facility. In the foreground, several sets of railroad tracks run parallel to each other, receding into the distance. The tracks are laid on a bed of gravel. In the middle ground, a long, single-story industrial building with a dark roof and light-colored walls is visible. A prominent sign on the building reads "O'NEILL BROS. INC. COTTON WASTE & LINTERS". The building has several vertical windows and a large door. To the left of the building, a parking lot is filled with numerous cars and trucks. To the right, there is a fenced-in area with some equipment and a smaller structure. The sky is clear and bright.
