#1

An American flag is mounted on a tall, thin pole, positioned centrally above the entrance of a classical-style building. The building's facade is light-colored and features a prominent pediment. The text "CHILDREN . OF . A . COMMON . MOTHER" is inscribed in a serif font along the top edge of the pediment. The entrance is framed by two large, fluted columns. The photograph is taken from a low angle, looking up at the building against a bright, clear sky.
