View: Aerial view looking west from above mill pond. Imlaystown-Davis Station Road is at center, parallel to horizon and crossing dam; Imlaystown-Red Valley Road enters frame at lower right. Rt. 526 and Allentown are in upper right corner. At extreme left center is #20; at right of dam are former mill, former store, former municipal building (behind conifers) and former hotel (#'s 21, 22, 10, and 9). House with barns at right center (between Imlaystown-Davis Station Road and photographer is Imlay House, #8. Across Imlaystown-Red Valley Road from it (and east of the former hotel), two houses are shown; the one nearer the former hotel has since been replaced by a new house. At extreme right, #34, facing camera, is last building shown; #1 is just out of frame. Character of land surrounding district, and contrast between district and environs, is clearly distinguishable.
