Garrard County, KY  
#2

A black and white photograph of the National Bank of Lancaster building. The building is a two-story brick structure with a classical architectural style. The upper story features a row of seven windows. The first three windows on the left are arched and have a four-pane design. The remaining four windows are rectangular and have a two-pane design, each topped with a decorative, classical-style pediment. Above the windows is a decorative cornice with a row of square, block-like elements. The ground floor has large glass windows and doors, with a dark frame. A prominent sign above the ground floor windows reads "NATIONAL BANK OF LANCASTER" in a serif font, enclosed in a rectangular frame.

NATIONAL BANK OF LANCASTER
