A black and white photograph of a dark, multi-paned door. The door has several rectangular glass panes. A sign is attached to the lower part of the door. The sign has the text "ALCOHOL BEVERAGES PROHIBITED ON GOUNDS" in bold, capital letters. The word "GOUNDS" is partially obscured by a dark shadow. In the foreground, there is a dark, round table and a chair. The background is dark, and there is a bright light source on the right side of the frame, creating a strong contrast and casting shadows on the door and the wall to the right.
