A black and white photograph of a wooden archway sign. The sign is made of dark wood and features the text "Ye Bridle Path" in a stylized, gothic-style font. Below this, in a simpler, sans-serif font, it reads "FROM UPLAND TO THE MOUNTAINS". The archway is supported by two thick, vertical wooden posts. The sign is set in a grassy area next to a road. In the background, there are several large, leafy trees and some buildings, including one with a sign that says "40". The overall scene is bright and clear.
