A black and white photograph of a storefront for a business named 'BACKSTAGE'. The building is a single-story structure with a dark facade and a flat roof. A prominent sign is mounted on the front of the building, featuring the word 'BACKSTAGE' in a large, bold, serif font. Below it, the words 'FLORIST-GIFTS' and 'COSTUMES' are written in a smaller, sans-serif font. The sign also includes a small graphic of a flower and a gift. To the left of the building, a utility pole supports a traffic light and a street sign. The foreground shows a blurred view of a car's interior, suggesting the photo was taken from inside a vehicle. The sky is overcast with light clouds.
