**COLONY  
COMMUNITY HOUSE**  
1885  
The Colony Community House was founded in 1885 by a group of women who were concerned about the needs of the poor in the community. The house was built on a lot donated by the community and has since been a center of social and educational activities. It has been a place where many people have found help and support. The house has been a part of the community for over a century and continues to serve the needs of the people of the Colony.
