PHOTO 2 OF 3

A black and white photograph of a large agricultural field, likely corn, under a cloudy sky. In the foreground, there is a patch of grass and a dirt path. A small white sign on a metal post stands in the middle of the field. The sign has the text "CONTINUOUS CORN SINCE" at the top, followed by "1912" in the center, and two small decorative symbols on either side. In the background, there are some trees and a few buildings, possibly a farmstead, on the left side. The field extends to a flat horizon line.
