A black and white photograph of a stable aisle. The structure is made of heavy, weathered wooden beams. A sign with the text "NO SMOKING" is mounted on a horizontal beam. The aisle is lined with hay bales on the left side. A wooden trough runs along the base of the hay. In the background, there is a doorway leading to another area, possibly a stall or another part of the stable. The lighting is dramatic, with strong highlights and deep shadows.

NO  
SMOKING

NO  
SMOKING
