

Dear Mother Richard.

The week  
afraid she would be uneasy  
about Benjamin. Not coming  
home he has been very sick  
but is better now and I guess  
he will <sup>be</sup> in Syracuse this  
week they do not think it  
typhoid fever. He did not  
go to the ball to see "Uncle  
Tom" played us the weather  
was too cold those that  
went were very much pleased  
Father is better than he has  
been for some time, he has  
been taking Dr Childs medicine  
he says he feels younger  
than he has for a month.

I hope he will not have  
any more dizzy spells. I  
have the head-ache this  
morning so that must  
excuse the writing but it  
going to school so she  
can not write and if  
I dont put this in the  
office now she wont get  
it to night I will write  
again in a day or two  
We received thy letter  
yesterday with love again  
we enclose \$5 for thy board  
and we will pay the balance  
if there is any. With much  
love I remain thy Sister.  
Mary.
