National Register of Historic Places Continuation Sheet

Section number 7 Page 1

Description:

In the Iron Springs Recreation Area located along Arkansas Hwy. 7 there is a small picnic shelter designated as Shelter #2.

This structure is located 170 ft. from the entrance of the recreation area. It is a square structure of log construction. The roof is pyramidal and covered with composition shingle. The north and south exposures have log balustrades while the east and west exposures remain open. The structure is set on a cast concrete slab for a foundation.

**United States Department of the Interior
National Park Service**

**National Register of Historic Places
Continuation Sheet**

Section number 8 Page 1

The Iron Springs Shelter #2 was constructed circa 1933 by members of the 3767th Company of the Arkansas CCC District stationed at the Hollis and Jessieville Camps, both of which were also located on State Highway 7, to the north and south of the Iron Springs Roadside Park, respectively. It was constructed as part of a small, public recreational complex within the Ouachita National Forest (ONF) as a result of the CCC's emphasis upon recreational construction. The extant historic structures within this complex include this shelter, and another shelter and a dam (nominated separately), all of which allowed the area to function purely as a swimming and picnicking facility, as it continues to do today. As such, the Iron Springs Shelter #2 remains significant through its associations with the contributions to American social history made by the Civilian Conservation Corps, its associations with the emphasis upon outdoor recreation that guided such construction, and its status as an excellent example of CCC recreational architecture in an excellent state of preservation.

10. Geographical Data

=====

Acreage of Property: Less than one

UTM References: Zone Easting Northing Zone Easting Northing

A	<u>15</u>	<u>493680</u>	<u>3846350</u>	B	___	_____	_____
C	___	_____	_____	D	___	_____	_____

___ See continuation sheet.

Verbal Boundary Description: ___ See continuation sheet.

Beginning at a point on the southwestern edge of State Route #7 located approximately 6,700 feet southeast of Bench Mark 976, proceed southwesterly along a line running parallel with the shelter's northwestern elevation for a distance of 200 feet; thence proceed southeasterly along a line running parallel with the shelter's southwestern elevation for a distance of 200 feet; thence proceed northeasterly along a line running parallel with the shelter's southeastern elevation for a distance of 200 feet to its intersection with the northwestern edge of State Route #7; thence proceed northwesterly along said edge to the point of beginning.

Boundary Justification: ___ See continuation sheet.

This boundary includes all the property historically associated with this resource, including the shelter itself, the principal approaches from both the Middle Fork of the Saline River and the road, and the land immediately surrounding the shelter that forms its historic setting.
