2nd floor hall  
1999

194 1 27

A black and white photograph of a staircase landing. The view is from the top of the stairs looking down. The landing features two sets of windows, each with a six-pane grid. The wall between the windows is covered in a small, repeating diamond or dot pattern. The walls on either side are plain and light-colored. The floor is dark and reflective, showing the windows above. The stairs in the foreground are dark and lead down.
