Southwest corner

Photo # 14

A black and white photograph showing a large tree trunk with a gnarled, textured bark. The base of the tree is surrounded by a low, rustic stone wall. A small, dark, rectangular marker is placed on the ground near the base of the tree. The background is filled with dense foliage and other trees, creating a dappled light effect. The number '2177' is printed in the bottom left corner of the image.
