Verbal Boundary Description

Acreage .21 ACRES

Ebenezer School sits on the r side of Ky 565, approximately 30 yds. N of said highway right-of-way. There are no distinctive property boundaries such as fence lines. Thus, the boundaries of this property should be defined as usual domestic space with imaginary lines 30' from all sides of the building. Therefore, beginning at point A, the intersecting point of two imaginary lines each running 30' on the western and southern sides of the building, said point A being SW of the SW corner of said buildings; thence E along an imaginary line approximately 35' to point B, the intersection with an imaginary line 30' E of said building which line forms the eastern boundary said intersection lies Se of the SE corner of said buildings; thence N 110' along an imaginary line 30' E of said building to point C, the intersection with an imaginary line 30' N of said building which line forms the norther boundary; said intersection in NE of the NE corner of said building; thence W 85' along an imaginary line 30' N of said building which forms the northern boundary line to point D, the intersection with an imaginary line 30' W of said building which line forms the western boundary, said intersection lies NW of the NW corner of said building; thence S approximately 110' along an imaginary line 30' of said bldg. to point **Sketch of Site Plan** (Showing outbuildings, structures, landscape features and the site boundary as described above.)
