A black and white photograph of a residential street. In the foreground, a road with a double white line runs horizontally. To the left, a utility pole stands near a speed limit sign that reads "SPEED LIMIT 35". Behind the sign, a house with a porch is partially visible. In the center and right, a larger, two-story house with a dark roof and arched windows is the main focus. The scene is filled with tall pine trees and other foliage, with shadows cast across the road and lawn. The sky is clear and light-colored.
