

FARIBAULT
WATER WORKS

A black and white photograph of the Faribault Water Works. The main building is a modern, two-story structure with a white facade and large, multi-paned windows. The words "FARIBAULT WATER WORKS" are printed in bold, black letters on the side of the building. To the right, there is an older, single-story white building with a gabled roof and several windows. The scene is set outdoors with a paved road in the foreground, a utility pole with power lines, and bare trees in the background. The sky is clear and bright.
