Roof detail

8 of 14

A black and white photograph of a rustic wooden bridge crossing a narrow stream. The bridge is built with weathered wooden planks and has a simple railing with three horizontal rails. A small, dark rectangular sign with the words "KEEP OUT" in white, bold, capital letters is attached to the railing on the left side. The bridge is supported by large, rough-hewn stone blocks. The stream flows beneath the bridge, and its surface reflects the sky and the surrounding foliage. The banks are covered with various plants, including ferns and leafy shrubs. The overall scene is a quiet, natural setting.
