A black and white photograph of a residential street. In the foreground on the right, a stop sign stands on a metal post. The sign is octagonal with a dark background and the word "STOP" in white, bold, capital letters. The street is paved and leads into a neighborhood of houses. The houses are partially obscured by large, leafy trees that cast shadows on the road. The scene is captured in a high-contrast, grainy style, with bright highlights on the houses and deep shadows in the trees and undergrowth.
