

John S. Rhea (McEntire) House  
1105 Sycamore Street  
Decatur, Alabama, Morgan County

Photographer unknown  
CA 1902-05

House from SE, after replacement of original sashing. Abutting the rear of the ell can be seen the low brick service dependency and the intervening two-bay ell extension erected in the late 19th century. Both were removed in 1938.
