3/16 Ferndix Building
W. Palm Beach, Palm Beach Co., FL

A black and white photograph of a two-story, light-colored building. The building has a flat roof and several windows. On the right side of the building, there is a large, dark rectangular sign with the word "PHILLY" in white, bold, sans-serif capital letters. To the left of the sign, there are two windows: one with dark shutters and another with horizontal blinds. Below these windows, there are several doorways and windows at ground level, some of which appear to be boarded up or damaged. A thick, dark hedge runs across the middle ground in front of the building. In the foreground, there is a patch of dry, sandy ground with sparse, low-lying vegetation. To the left of the building, a palm tree is visible. To the right, a taller, multi-story brick building is partially visible, and a car is parked on the street in front of it.
