SAMPLE Row of all jumping Row of Spillman  
Carousel horses. Note "jewels"  
of glass as decoration, glass eyes  
and gentle faces on horses. This  
Row features a rare "Roach"  
maned outside horse. Also  
NOTE well-proportioned carved  
bodies of animals - Trademark  
of Spillman Engineering Co.

Exceptional EXAMPLE of Elaborately carved  
horse like this "Armoured" - rarely found on  
"portable" machines except for Spillman.

Sample Rounding Board with CAST-metal  
framing decorations - Typical for Spillman  
Carousels. Scene is sample of  
Reproduction of scenes commonly painted  
on carousels. Painted scenes did not  
fair well over the years - few originals

Photo #4 of 5 Remain.

Sample of Lighted interior scenery panel.  
They hung from the Sweeps to hid some  
of the carousel mechanism, and add  
color to the carousel. This design stage  
is typical of Spillman Carousels.
