Thy letter of the 14th is at hand by which
we observe that Wheat Continuing at 8/- & in some instances
8/3 - & that thou have to for thyself 1200 bu. which thou have
got Greenock, as thou has done that to keep thy customers
I suppose to have to for ~~the~~ ^{the} well if it is thy wish
take that also, with what thou has to of wheat thou?
please determine shortly in by return of mail -
for the amounts of which thou can draw on us
or on Samuel Willets, through the Bank of Geneva
at 4 mo. & charge us with the duty - it is a
convenience to us to have the drafts made at 4 mo.
as it gives us time to get some part of our
Flour to market before they come due
The Cashier of the Bank of Geneva informed
our Agent at Geneva that he could draw
for what he pleased at 4 months
should the price Wheat be not over 8/-
with thou to buy for us
