**HABERSHAM
MEMORIAL HALL**
The building was dedicated in 1902 to the memory of General James H. Habersham, a prominent citizen of the State of Georgia. It was the first building of the University of Georgia to be dedicated to the memory of a private citizen. The building is a fine example of the classical architecture of the early 20th century. It is now used as a classroom building.

**Foundation
of
Truth**
270 15th St.
