A black and white photograph of the U.S. Coast Guard cutter WHEC-37, the USCGC Taney. The ship is shown from a port bow quarter view, anchored in a harbor. The hull is white with a dark stripe along the gunwale. The words "COAST GUARD" are painted in large, bold, black letters on the side of the hull. To the right of the stripe is the Coast Guard emblem, and further right is the number "37". The ship has a complex superstructure with multiple decks, railings, and a large crane. The background shows a cityscape with buildings and a clear sky.
