## THE New Firehouse in Oak Park Which Has Just Been Completed and Will Be Formally Dedicated With Elaborate Ceremonies Next Saturday Night. This Is One of the Largest Firehouses on the Coast.

OAK PARK, May 11.—The fine new fire station on Cypress street which was completed set on the Pacific Coast with one exception. Los Angeles is reported to have a station just a little larger upon already are. A ladder and rescue drill by the crew team which won honors at the World's Fair recently; made by the Oakland Fire Department.

from Caro to the  
 with all certificate  
 and credit card  
 files of the National  
 Company of Agents  
 that tribunal.  
 John H. Patterson,  
 vice of the company  
 of, complained the  
 trust law to the U.S.  
 Civil Court, but the  
 reversed by the Tenth  
 of Appeals.

Competitors  
 "This," says the  
 brief filed with the  
 of the most important  
 ever brought under  
 law. The intention  
 by the act of great  
 means of unfair com-  
 petition have been  
 of business a number  
 and required to per-  
 register trade of the  
 The reversal of the  
 brief case, has been  
 to indicate that the  
 case of the Anti-Trust  
 feasible, and that  
 case of this view, it  
 will have the great

Monopolization  
 The department  
 built Coeur's doctrine  
 "a fundamental prin-  
 the Anti-Trust Law,  
 of monopolization,"  
 restraint of trade,  
 failure of important  
 statements of indirect  
 Anti-Trust Law.

Concluding the  
 the testimony written  
 itself sole fact  
 evidence shows that  
 stepped in a dollar  
 merely technically a  
 cal offense, but his  
 offenses that the ac-  
 would recognize as  
 undoubtedly wrong
