A black and white photograph of a brick building facade. The central focus is a large, rectangular sign with the word "GARAGE" in bold, capital letters. The sign is set within a decorative, multi-layered frame. To the left and right of the sign are smaller, square decorative elements. A tall, thin pole or antenna structure is positioned vertically in front of the sign, extending from the top of the frame down to the sign's top edge. The brickwork is a standard running bond pattern. The overall scene is captured from a low angle, looking up at the building.
