RE: Delisting of the Santiago Lamperez House, Iberia Parish, LA

Dear Mr. Gabbert:

The purpose of this letter is to notify you of our intent to delist the above property from the National Register of Historic Places. Originally listed on the Register on 10/17/1985, the above property was destroyed by fire (exact date unknown) as confirmed by the city's Main Street manager. Per 36 CFR 60, Sec. 60.15 (a)(1), we are requesting that the above property be officially delisted based on the fact that the property has ceased to meet the criteria for listing in the National Register because the qualities which caused it to be originally listed have been destroyed. To support this claim, we have included an email from New Iberia's Main Street manager confirming it burned.

We have notified the property owner and the chief elected official and have included copies of those letters with this submission. No responses were received.

If you have any questions concerning our request, please contact our National Register Coordinator, Jessica Richardson via email at jrichardson@crt.la.gov or by phone at 225-219-4595.

Sincerely,

Phil Boggan

RE: Delisting of Santiago Lamperez House, Iberia Parish, LA

Dear Mayor Curry:

The purpose of this letter is to notify you of our intent to petition for the removal of the above referenced property from the National Register of Historic Places, a process known as delisting. This step is important as we strive to maintain an accurate record of properties in our state that are listed in the Register, still extant, and maintain integrity per National Register Criteria. In many cases, buildings were destroyed many years ago and the official delisting paperwork was not completed. We have made this task a priority for 2016.

The Santiago Lamperez House was listed on the National Register on 10/17/1985. According to the Federal National Register regulations [36 CFR 6-.15 (a)(1)], a property may be delisted if it has ceased to meet the criteria for listing on the National Register because the qualities which caused it to be originally listed have been lost or destroyed. Per correspondence with the local Main Street manager, the building burned and is no longer there. Because the building, and its qualities that caused it to have been listed, are destroyed, this property will be proposed for removal from the National Register. The final delisting decision will be made by the Keeper of the National Register at the National Park Service.

The regulations [36 CFR 60.15 (g)] also require that the property's owner be given an opportunity to comment and the chief elected official notified of the proposed action. If you choose to comment, please respond via letter by **October 7th, 2016** to the following address:

Phil Boggan
State Historic Preservation Officer

If you have questions concerning the delisting petition or any other National Register issue, please contact National Register Coordinator, Jessica Richardson, by email at jrichardson@crt.la.gov, or by phone at 225-219-4595.

Jane,

I am working on making my way through a list of properties that I think have been demolished or lost (due to fire, etc) that were listed on the National Register so that I can officially delist them. One is the above house which had an address of 203 Front St in New Iberia. I am thinking it was the house that was located on the large grassy lot two doors down from Mt. Carmel – is this correct? If not, feel free to let me know. Sometimes google doesn't take you to the correct address as I have found out with a few of the buildings on my list.

Thanks!

Jessica
