

THEMATIC NATIONAL REGISTER NOMINATION - GEORGIA COURTHOUSES

ARCHITECTURAL SURVEY FORM COLQUITT COUNTY COURTHOUSE

SIGNIFICANCE:

This is an excellent example of the addition of a mezzanine floor in a courthouse without changing the character of the exterior. Many original elements were kept on the interior as well; for instance, fiber acoustical tile was placed in the ceiling of the courtroom, between existing beams, thereby preserving the effect of the original ceiling.

The courthouse dominates the town, serving as an architectural focal point as well as an economic one.
