Photo 8 of 11

A black and white photograph of the Otis Elevator Company building. The building is constructed of brick and features a prominent horizontal stone or concrete band across the upper portion of the facade. This band contains the company name "OTIS ELEVATOR COMPANY" in large, capital letters. Below this band, there are three large, multi-paned windows. A tall, rectangular brick chimney is visible on the roofline to the right of the center. The sky is overcast and cloudy.
