Title: Site of Old Charles Towne

Loc. Charleston, S.C. ②

Looking northeast over the
first of twin lagoons.

B

A Scene From Old Town Plantation, Site of The South Carolina Tricentennial Commission's Charles Towne Landing Exposition Center. On this plantation is the site of the first permanent settlement in South Carolina: Charles Towne, established by English colonists in 1670. This view is looking northwest over the first of twin lagoons. The Ashley River is several hundred yards east.
