FEB 4 1982

A black and white photograph of a residential street. A large, leafy tree dominates the center of the frame, casting shadows on the road. In the foreground, a light-colored car is parked on the right side of the road, appearing to be damaged with a crumpled rear end. To the left, a dark SUV is parked further down the street. In the background, a white car is visible. On the right side of the image, a sign on a utility pole reads "150 HOUR PARKING 24x7". The scene is dappled with sunlight and deep shadows from the trees.
