2. Why Building for the CA

3. *Two Buildings on the CA*

A black and white photograph of a building's entrance. The building has a light-colored, tiled facade. A dark, arched doorway is the central focus, with the number "210" mounted on a decorative pediment above it. To the left of the doorway is a dark, rectangular structure, possibly a vending machine or utility box, featuring a "BUD LIGHT" logo. To the right is a white, paneled structure, likely a garage door. The overall scene is captured in a street-level perspective.
