The photograph shows a large rock face with a grid of lines drawn on it. The grid is roughly rectangular and covers a significant portion of the rock's surface. The rock itself has a textured, weathered appearance with various cracks and shadows. In the foreground, there is some sparse, dry-looking vegetation. A small white sign with black text is positioned in the lower-left corner of the frame. The sign contains the following information: 'SUMFRD MT', 'AREA', '1-98', 'PHOTO', and 'DAAS'. There are also some small symbols on the sign, including a square with a cross and a square with a vertical line.
