Luther Metke

Camp Sherman
poet laureate

*Nothing comes from nothing,
Everything from thought.
Not always what is wanted,
Or what we really sought.*

*With man its trial & error,
Although many to consult.
With God; he has the answer,
So already knows results.*

THERE IS NO GENERATION GAP
BETWEEN THE YOUNG OF ANY AGE!

Seeds

*It isn't what we have.
It isn't what we know.
The only thing that matters,
is the good will seeds we sow.*

*Those seeds of love and kindness,
we scatter along the way,
are like candles in the darkness,
that light our paths each day.*

*Some may fall on barren ground,
negating many a worthy plan;
some is lost, some is found,
restoring our lost faith in man.*
