'Old Thompson School History'  
From 1880-1945

Thompson one lumber school frame was built in 1880 by  
the people in the community. It had several and owned  
by P. J. (and) Doty. The original school was founded by Charles  
Thompson in 1870. Relations are unclear in the text but, though  
we do know the school was held in the Thompson time for  
some as the one built in 1880 was called. Still the very early  
school of which is now broken and broken. School was held very early from 1880-1890  
in the town of the school, but later years, however, built and part of the building  
in the summer of 1942. Some of the names of the school are listed below. The names  
of the names are listed below. The names are listed below. The names are listed below.  
1880-1890
