## ATTACHMENT TO HISTORIC PROPERTIES INVENTORY FORM

HISTORIC PRESERVATION UNIT DEPARTMENT OF CULTURE & HISTORY THE CULTURAL CENTER CHARLESTON, WEST VIRGINIA 25305

1. Name(s) Historic/Common: Briarwood (South Hills Multiple Resource Area)

Kanawha County West Virginia

## #8. Significance

The form <u>clearly</u> states that Dr. Rhuell Hampton Merrill was the minister of the Kanawha Presbyterian Church from 1898 to 1907; it does not state that he lived in the house during that time.

## #7. Description

The Garage/Dependency of "Brairwood" is a one and a half-story brick structure with brick work, detailing and scale which complements the architectural character of the main house. The Garage/Dependency contributes to the significance of "Brairwood" as part of an early 20th century suburban estate designed for a successful upper-middle class professional. The house and dependency remain among the city's most distinguished examples of the Revival Period house in a Tudor or Elizabethian country setting.

#13. Photographs Attached.

Wellford House in South Hills.

"Briarwood" is the most creative of Crowthers' buildings in Charleston. It is a romantic English Tudor style house marked by varying roof lines and asymmetrical massing.

## 13. Verbal Boundary Description.

Beginning at the southern intersection of Staunton Road and a private drive, thence in a line 400 feet northeast; thence 200 feet Southeast; thence 400 feet southwest to where Staunton Road terminates at a private road; thence 200 feet northwest to the point of beginning; encompassing approximately  $2\frac{1}{2}$  acres.
