A black and white photograph of the Sherman County Courthouse entrance. The building is constructed of brick. The central entrance is a double glass door set within a large stone archway. Above the archway, the words "SHERMAN COUNTY" are inscribed in large, bold, capital letters. To the left of the archway is the number "18" and to the right is "99". Above the main entrance is a smaller, arched window with a decorative leaded glass pattern. Bare tree branches are visible in the foreground, casting shadows on the building. A concrete sidewalk leads to the entrance.
