A black and white photograph of a rustic interior. The central focus is a wooden archway with a sign that reads "GLACIER LOUNGE". The archway is made of dark wood and has pointed tops. To the left of the archway, a fire extinguisher is mounted on the wall. To the right, there is a wooden bench and a window with a dark frame. The ceiling has a track lighting system with several round lights. The floor is covered in a dark, patterned carpet.
