E. DETAILS/SOUTH FACING ELEVATIONS (OFF STREET)

On the left is the shed built to create additional covered storage for bottled goods which could not be contained within the bottling house to the rear. The shed will be removed and the exterior wall of the bottling house will become an interior wall in the atrium. Two new entrances will be added to the facade. Glazing will remain as shown.

E. DETAILS/SOUTH FACING ELEVATIONS

On the right, the brewery powerhouse will remain as shown. Glazing details and handrail ornaments to be refitted. A standing seam metal roof will replace existing building paper roof. The facing wall in the photo will be enclosed by the glass atrium. (see plans)

F. WEST FACING ELEVATION

The Tivoli Brewery was not meant to be seen from this view, but due to urban renewal, the backsides of all its structures are now exposed. This is the area in which new construction, consisting of a plaza and iron/glass atrium will be constructed. (see enclosed perspective). Smokestack will be repaired and repainted and now "TIVOLI" lettering will be applied.
