

Dear Uncle and Aunt

Waterloo April 12th 1832

This day being appropriated for writing
expositions I thought I could not spend my time better than
writing a few lines to you to inform you how I like my school
I am much pleased with it and my teacher also the school is situated
very pleasantly on a hill about three quarters of a mile from the
Durand village we have a very pleasant prospect of Cayuga Lake.

Last seventh day after noon Lucy Cudworth and my self went to
Jesse Fields and stayed until First day after noon then Susan
Marratt sent up her carriage for us to go to meeting.
We took a very pleasant walk last evening. I have been
very home sick since I have been here but I feel very comforted
now I have a great desire to see you and all my friends and my
dear parents and brothers and sisters. I have received two letters
from home you cannot think how acceptable they were.

Please to give my love to all my friends and to my dear
parents the children Please to tell Father that I am well
and I want him to write me a letter as soon as you
receive my letter if you please

I have no more to communicate to you at present.

Please to answer this letter as soon as you receive it

From your affectionate niece
