A black and white photograph of a doorway in a building with horizontal siding. The doorway is framed by a white archway. The door is dark and appears to be made of wood or metal, with a diagonal brace or wire running across it. To the right of the doorway, there is a small black square above a sign. The sign reads "MATILDA FLEETWOOD" and "OPEN SAT. 10-4." Below the sign is a white rectangular area. The foreground shows a wooden porch or walkway. A dark railing is visible on the left side of the image. The lighting is bright, creating strong shadows on the siding and the porch.

MATILDA FLEETWOOD  
OPEN SAT. 10-4.
