PHOTO 1 of 64

**PLATT
ELECTRIC
SUPPLY**
— INC. —
WHOLESALE

The photograph shows the exterior of a brick building. The central feature is a large window with a wooden frame, divided into three panes. Inside the window, several cardboard boxes and papers are visible. Above the window is a smaller, narrower window with a similar frame. To the left of the main window, a dark sign with white text is mounted on the brick wall. The sign reads 'PLATT ELECTRIC SUPPLY' in large, bold letters, with '— INC. —' in smaller letters below it, and 'WHOLESALE' in large, bold letters at the bottom. The building's facade is made of white bricks. There are dark, rectangular panels above the windows. A small, round, textured object, possibly a light fixture or vent, is mounted on the brick wall to the right of the main window. The ground in front of the building is a concrete sidewalk.

A black and white photograph of a two-story brick building. The building features a prominent sign across its second floor that reads "United Pacific Controls, Inc." To the left of the text is a logo consisting of the letters "UPC" inside a square. The building has a row of nine windows on the second floor and three large display windows on the ground floor. A utility pole stands in front of the building, and a forklift is visible on the left side of the street. The foreground shows a paved road with white lane markings.
